IN RE: QWEST CORPORATION	DOCKET NO. FCU-02-24
---------------------------------	----------------------

ORDER SUSPENDING PROCEDURAL SCHEDULE

(Issued July 24, 2003)

On July 18, 2003, Qwest Corporation (Qwest) and the Emergency Management Division of the Department of Public Defense (EMD) filed with the Utilities Board (Board) a joint motion to suspend the procedural schedule in this docket. In support of their request, the parties state that they have reached an agreement regarding a new pricing structure option for the services at issue. As a result of this agreement, Qwest states that it is developing a new tariff and that the parties are drafting a new contract governing the furnishing of service to EMD. The parties request that the existing procedural schedule in this docket be suspended until the revised tariff becomes effective.

The Board has reviewed the parties' joint request and finds that it is reasonable. The procedural schedule previously established in this docket is suspended, pending filing of a revised tariff.

IT IS THEREFORE ORDERED:

The joint motion to suspend the procedural schedule in Docket No. FCU-02-24, filed by Qwest Corporation and the Emergency Management Division of the Department of Public Defense on July 18, 2003, is granted as described in this order.
